

LenseScan Physical Calibration Reference

Legal Metrology (Packaged Commodities) Rules, 2011 Compliance System

Marker Specification: ArUco DICT_4X4_50 | Marker ID: 0 | Dimension: EXACTLY 40.0 mm x 40.0 mm

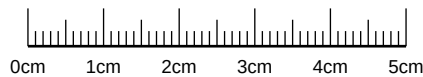

CRITICAL PRINTER SETUP INSTRUCTIONS:

1. In your print dialog, select 'Actual Size' or Page Scaling: 'None' (100% scale).
2. Do NOT choose 'Fit to Printable Area' or 'Shrink to Fit' - this will alter the physical scale.
3. After printing, place a physical ruler on the verification bar below to confirm it measures exactly 50.0 mm.
